TO WHOM IT MAY CONCERN:

This is to certify that I have known KEVIN MANION since 1972. Father Aloysius Ellacuria, C.M.F. was living at the time and was my Spiritual Director. He also was one of the two Chaplains I chose for my Episcopal Ordination. He was a very saintly priest and I am convinced he had the gift of healing. Between the years 1972 and 1981 when Father Aloysius died, Kevin Manion was a very faithful assistant to him in various ways, and Father Aloysius always spoke highly of him.

Since 1981 I have seen Kevin once or twice a year, and I have always been favorably impressed by his sincerity and his perseverance in his desire to pursue his studies for the Priesthood. I believe that under the proper direction, and if it is God's will, he is an excellent candidate for the Priesthood.

Sincerely in Christ,
